ents with izzy means...

ANTI-FORMAL

Think formal hall, then take away the fancy clothes, fancy dinner, and fancy hall, so gowns, Griff, and getting pissed

EVENT REP SCHEME

I want everyone to get involved with ENTS, so I'm giving you the chance to rep events and get discounts, stash, and other perks

HOMERTON PREDRINKS

The marquee was an integral social hub in Michaelmas, so why not try to bring it back all year round, and run cross-year and cross-college predrinks before bops, formals, and club nights?
