

NORA FOR VPI

As your Vice President Internal, I will focus on **accessibility, inclusivity, and transparency.**

about me :

Hi! I'm Nora (she/her), a second year HSPS student.

- HUS Gender Equality Officer
- Founder and President of Homerton Feminist Society
- Vice President of Cambridge University Oxfam Society
- Communities Officer of Cambridge Student Union Women's Campaign

improving accessibility and transparency :

There is currently a disparity between the HUS and student body.

- The **minutes** of all HUS meetings should be **distributed to the JCR** via **accessible platforms**
- Ensuring that **all students** have the opportunity to contribute **points to the agenda** in advance of **meetings**
- Assisting **cohesion** between **current** and **future HUS teams** so progress can continue
- **Increase transparency** for the **process of starting** a new student **society**

supporting safety :

Homerton needs to be a safer space.

CN: sexual harassment, sexual violence, identity-based discrimination

- A **restructuring of the consent workshops** given during freshers' week so they're **outsourced to relationship and sex education specialists**
- **Compulsory anti-racism workshops** for all freshers during freshers' week with disciplinary action for unexplained absences
- Introducing **active bystander training** for **identity-based discrimination** and **sexual harassment**

creating an environment of inclusion :

Homerton needs to be a safer space.

- **Working with Liberation Officers** to hold **more frequent community events** for LGBTQ+, class act, disabled, BME, and international students as well as for students of marginalised genders
- Ensuring **events** are held for **more national and religious holidays**
