FOR HUS TREASURER

Societies

I want to conduct a thorough review of the societies we have on offer at Homerton and pledge to allocate funding based on student involvement and enrolment.

Accountability

Full transparency on what HUS funding gets spent on - a report released to all students at the end of each term - we work for you and you deserve to know exactly where our money goes.

Sports

I want to work hand in hand with the Development Office to use our extensive alumni network and connections to secure more funding for Homerton's various sports teams.

Helping hand

I will demystify the process behind starting a society and securing funding from the HUS by creating a comprehensive and easy to follow guide so that any student can propose a new Homerton society.

Accommodation

I want to work together with the Senior Tutor team as they reconsider our accommodation balloting system and find new solutions to make accommodation more accessible and affordable for all.
