

## ALEX AND LIZZIE

The excelENTS, we're not incompetENTS!

### BOPS

- Mega-bops: swap bops, more interactions with other colleges, especially for freshers!
- Variation in setting: e.g. JCR, outside in nice weather
- No DJ's: replaced by live student music and playlists, widely requested by you! As a result, cheaper entry.

### JCR

- Revamp: make it a more comfortable, inviting space for relaxing, revamp games and pool table, use the old buttery bar to provide a selection of beers
- Chill nights: board game nights, film nights

### COLLEGE EVENTS

- Drinking events: college wide pub golf, college bar crawls
- Outside events: picnics, BBQ's, casual sports
- Culture: Open mic nights, comedy nights
- Events during the day: Non -drinking events, events to destress, fun chill arts and crafts
- Emphasis on themed nights being inclusive

### COMMUNICATION

- We are (we get told this daily, it's quite challenging to stay humble): friendly, approachable, reliable, co-operative and most of all a good giggle (independently verified™)
- Good promotion: use of social media, posters etc.
- Interaction: more communication between ENTS and the Inclusivity Officers
- Interaction with college: we'll be very active!, polls, feedback, forms, we wanna know!

### FORMALS

- Themes: impressive, taking requests
- More incentive to dress up: funny, costumes
- Holidays: Bridgemas, Halloween, Easter

### GRIFF

- More variation on drinks: Homerton own themed cocktails
- Fire in the Griff: pre's for junction

### CLUBBING

- Access to tickets: more rum boogie, reps well known + easily accessible
- Deals for tickets: cheaper tickets
- More club night takeovers
- Pre's: organised, impressive pre's for going out, especially for junction

### MIXING

- Events designed to create more mixing between the years
- Undergrad + Postgrad events
- Emphasis on intercollegiate mixing: build links with other colleges, get to know people!, events designed to do this
