

Toria White for HUS communications Officer

- Continue the good work and improvements made by the current HUS communications officer
- Focus more on the HUS Instagram
- Increase links to the rest of the University
- Termly round-ups

Instagram

- More students use Instagram, especially Freshers, so be more active on there, notably in Freshers week
- Student Story take overs (e.g days in life, q and a's for prospective students, notably in the summer for UCAS applications)
- Student spotlight posts monthly in term times

Increase connections with college societies

- Produce spotlight posts for each willing society to keep students updated (e.g rowing team in coppers)

Termly Round ups

- Each officer/officers should produce a few lines each term to keep the student body updated on what they have achieved/put on this term (e.g ents officers would talk about bops etc). This will increase awareness in college life

Increase awareness in University wide events

- Make students more aware of university wide events e.g The Watersprite film festival, University fashion show

Use the bulletin board in West House more effectively for updates
